The General Manager's report was provided for Board's information. The following key item(s) are noted as follows:

1. **Port Bond Initiative Finance Team Meeting:** Meetings were held in San Francisco, California on February 8-9, 2018 regarding the Ports Bond Initiative. Present were representatives of the Port Authority, Port's OAE Consultant WSP, GEDA, Citi, Orrick and Kutak Rock. The primary focus of the meeting was to have an overall discussion on the Port's financial status, cash balances, cash reserves, a review of the WSP Engineering Report, draft Indenture documents, and types of financing available. Next meeting session is anticipated sometime in March 2018.

2. **Department of Administration Request for Information on Port Financial Accounts:** On February 26, 2018, the Port received a letter from Department of Administration (DOA) requesting for current bank balance of all bank accounts; current accounting book balance of all bank accounts and investments at current value, to exclude accounts legally restricted by loan covenants. Management will provide a response by end day.

3. **Meeting with the Office of Economic Adjustment:** On February 22, 2018, the Port met with Mr. Gary Kuwabara, Western Regional Director, Office of Economic Adjustment (OEA). V. OLD BUSINESS

1. **Retirement: Defined Benefits Plan:** Mr. Alfred F. Duenas, Deputy General Manager of Admin/Finance (DGMA) mentioned that under the guidance of Port legal counsel as well as the Retirement Fund Director Paula Blas, and in accordance with Section 8206, Chapter 8, Title 4, Guam Code Annotated, the Board of Directors had approved at its meeting on March 29, 2017 to allow for the then-Port General Manager Pedro A. Leon Guerrero readmission into the Defined Benefits Plan, covering the period of March 24, 1993 thru January 3, 1995. He stated that Mr. Leon Guerrero was to remit full payment of his employee share to Retirement Fund and only upon evidence of full remittance the Port will then remit its employer share. On January 11, 2018, the Port Authority received an invoice from Retirement Fund evidencing full payment made by Mr. Leon Guerrero on his employee share for the defined benefits retirement

plan. As a result, Board approval is being requested to authorize management to commit funds in the amount of \$95,000.00 and to remit payment of the Port Authority's employer share of up to \$95,000.00 for this purpose.

The Vice Chairman made motion to authorize management to commit funds in the amount of \$95,000.00 from the vacated positions for retirement expense, seconded by Director Mendiola. Motion was unanimously approved.

Director Mendiola made motion to authorize management to remit payment of the Port Authority's employer share of up to \$95,000.00 for purposes of the defined benefits plan of Mr. Pedro A. Leon Guerrero, seconded by the Vice Chairman. Motion was unanimously approved.

VI. NEW BUSINESS

1. **Legal Professional Services:** Mr. Felix R. Pangelinan, Deputy General Manager of Operations (DGMO) mentioned that in review of the legal billing for the month of January 2018 revealed that such billing has exceeded the threshold of the contract. In accordance with the Professional Services Agreement for legal representation, Section III Compensation, the consultant's monthly billings shall not exceed the sum of \$70,000.00 per month without prior written approval or subsequent ratification by the Port Board of Directors. January 2018 billing has a variance of \$30,254.55. As such, management requests for Board ratification of the difference in the legal invoice for the month of January 2018. The Vice Chairman made motion to ratify the variance in legal services for the month of January 2018 at \$30,254.55, seconded by Director Mendiola. Motion was unanimously approved.

2. **USCG Academy: The Tide Rips:** The DGMO mentioned that the USCG Academy has once again reached out to the Port Authority to support its annual 2018 "Tide Rips" edition. Tide Rips has a broad distribution that provides views from active decision makers both in the United States Coast Guard (USCG) and the Department of Homeland Security. Supporting the USCG Academy will allow Port exposure and recognition through the nation and as long time partners of USCG Sector Guam, this support demonstrates Port's commitment to USCG activities. In light of this, Board approval is being requested to purchase advertising space for the 2018 Tide Rips edition in the amount of \$1,995.00 which will be funded through the Marketing budget account.

Director Mendiola made motion to authorize management to purchase a quarter page of advertising space for the 2018 Tide Rips edition in the amount of \$1,995.00 funded through the Marketing budget account. Motion was seconded by the Vice Chairman and was unanimously approved

3. **FY2018 Budget: Operations *A'dai He Hao*:** The DGMO said the Port has since been awarded \$4,500.00 under Section 402 Grant program of the Department of Public Works Office of Highway Safety. The Port also anticipates another grant award of \$10,000.00; totaling \$14,500.00. The Port's approved FY2018 budget lists this item under Capital Improvement Projects-Planned Federal Projects (Not Funded) and therefore request Board approval to move the account from unfunded to funded in the amount of \$14,500.00 to allow for Port expenditure

of this line item. Director Mendiola made motion to authorize management to move the account Office of Highway Safety – *A'dai He Hao* under Capital Improvement Projects-Planned Federal Projects (Not Funded) from unfunded to funded in the amount of \$14,500.00. Motion was seconded by the Vice Chairman and was unanimously approved.

4. **RFP No. 017-003 OSHA Training and Certification for Maritime Terminal Operations for Port Authority:** The DGMO said three (3) firms officially submitted their bid offer in response to the request for proposal. After careful evaluation of the proposals by the Evaluation committee, the results were finalized and the committee has determined that Omega Safety Compliance Asia Pacific is the most qualified, responsive and responsible offeror. As a result, management requests the Board to approve the award to Omega Safety Compliance Asia Pacific that has been deemed to have met all the requirements set forth in the request for proposal and is consistent with the Guam Procurement Regulations.

Director Mendiola made motion to approve the contract award to Omega Safety Compliance Asia Pacific for RFP No. PAG-017-003 OSHA Training and Certification for Maritime Terminal Operations for Port Authority. The contract period is for an initial period of three (3) years with two (2) additional one (1) year option to renew annually after the initial term of the contract, not to exceed a total of five (5) years. The motion was seconded by the Vice Chairman and was unanimously approved.

5. **General Manager Performance Evaluation:** The Board of Directors expressed appreciation of the outstanding work performed by the General Manager. Director Mendiola made motion to accept the performance evaluation of the General Manager Joanne Brown, seconded by the Vice Chairman. Motion was unanimously approved.

d. **Lifesavers National Conference, April 22-24, 2018, San Antonio, Texas:** Director Mendiola made motion to approve the travel authorization request as presented or as otherwise designated by the General Manager, seconded by the Vice Chairman. The motion was unanimously approved.

FOR THE ENTIRE EXECUTIVE BRANCH

WHEREAS, on February 28, 2018, Executive Order No. 2018-03 relative to implementing a 32-hour work week for executive branch agencies funded or partially funded by the General Fund was signed; and

WHEREAS, Executive Order No. 2018-03 provided for an implementation date to be effective on Tuesday, March 6, 2018; and

WHEREAS, on March 1, 2018, the Attorney General of Guam advised that the Governor "may implement a furlough program by Executive Order across the government of Guam provided the due process and other procedural requirements of Appendix H of the DOA Personnel Rules and Regulations are complied with.";

WHEREAS, unless and until the 34th Guam Legislature takes decisive and effective action to resolve the very real financial crisis that is facing the government and the island, no alternative remains but to institute whatever austerity measures are necessary and available; and

Bill No. 252-34 (CR)

Introduced by:

Telena Cruz Nelson 

AN ACT RELATIVE TO ESTABLISHING A TEMPORARY MORATORIUM ON THE BOARD OF DIRECTORS OF THE JOSE D. LEON GUERRERO COMMERCIAL PORT OF GUAM FROM ENTERING INTO BOND COVENANTS UNTIL SUCH TIME THAT THE PORT COMES INTO COMPLIANCE, AND CONTINUES TO COMPLY, WITH § 22421 OF CHAPTER 22, TITLE 5, GUAM CODE ANNOTATED.

2018 MAR -8 PM 1:48 

1 **BE IT ENACTED BY THE PEOPLE OF GUAM:**

2 **Section 1. Legislative Findings and Intent.** *I Liheslaturan Guáhan* finds that
3 the Government of Guam is in a financial crisis due to the recent federal Tax Cuts
4 and Jobs Act signed into law by President Donald Trump on December 22, 2017.

5 *I Liheslatura* further finds that the Jose D. Leon Guerrero Commercial Port of
6 Guam has historically paid once into the General fund since the enactment of §
7 22421 of Chapter 22, Title 5, Guam Code Annotated, commonly known as the
8 payment-in-lieu-of-taxes (PILOT). PILOT payments were placed upon utilities in
9 lieu of taxes as they are found to also benefit from services provided by the General
10 Fund, such as police and fire protection, road systems, and other governmental
11 facilities and a transfer policy would be more fair and equitable as opposed to an
12 actual levy of real estate taxes, such as those imposed upon private businesses.

13 It is the intent of *I Liheslatura* to place a temporary moratorium upon the
14 Board of Directors of the Jose D. Leon Guerrero Commercial Port of Guam ("Port")
15 from entering into any and all bond covenants until such time that the Port comes
16 into compliance with, and continues to comply with, § 22421 of Chapter 22, Title 5,

1 Guam Code Annotated.

2 **Section 2. Temporary Moratorium on Jose D. Leon Guerrero**
3 **Commercial Port of Guam Board of Directors from entering into bond**
4 **covenants.** There shall be a temporary moratorium placed on Jose D. Leon Guerrero
5 Commercial Port of Guam Board of Directors from entering into bond covenants
6 until such time that the Port comes into compliance with § 22421 of Chapter 22,
7 Title 5, Guam Code Annotated.

8 **Section 3. PILOT Payments as a condition of bond covenants.** Any and
9 all bond covenants entered into by the Port shall be in compliance with § 22421 of
10 Chapter 22, Title 5, Guam Code Annotated.

11 **Section 4.** Any future actions by the Jose D. Leon Guerrero Commercial
12 Port of Guam Board of Directors, the General Manager, or the employees of the Port
13 that conflict with the provisions of this Act shall make them collectively and/or
14 individually subject to the civil and criminal penalties prescribed by the laws of the
15 government of Guam.

OFFICE OF SENATOR TELENA CRUZ NELSON

CHAIRPERSON OF THE COMMITTEE ON HOUSING, UTILITIES, PUBLIC SAFETY & HOMELAND SECURITY
I MINA'TRENTAI KUATTRO NA LIHESLATURAN GUAHAN | 34th GUAM LEGISLATURE

For Immediate Release
March 8, 2018

NELSON INTRODUCES BILL TO ENSURE AUTONOMOUS AGENCIES PAY THEIR FAIR SHARE OF THE GENERAL FUND

(*Hagåtña*, Guam) – Senator Telena Cruz Nelson introduced Bill No. _____ (LS), which would require that the Jose D. Leon Guerrero Commercial Port of Guam comes into compliance, and continues to comply, with § 22421 of Chapter 22, Title 5 Guam Code Annotated, which requires autonomous agencies to contribute into the General Fund.

Payment-in-lieu-of-taxes (PILOT) payments were originally implemented in 1985, by Public Law 18-15, as a means to collect revenues from autonomous agencies that benefited from General Fund Services such as police and fire protection, road systems, and other governmental facilities. PILOT payments are a fair and equitable means of collecting funds from revenue-generating autonomous agencies, rather than an actual levy of real estate taxes, such as those imposed on private business ventures.

Senator Nelson stated, “This is nothing new. We are simply asking that the Port follow the law, as applicable to them and other autonomous agencies, especially as they head into the bond market, which the Legislature approved earlier this term. It’s important to ensure that everyone contributes their fair share, especially in light of this financial crisis.”
