NEWS RELEASE

Release of containers continue

Piti, Guam, June 10, 2023:

The Port Authority of Guam resumed the issuance of containers three days after Typhoon Mawar. "This was a result of a tremendous amount of support received from Governor Lou Leon Guerrero, Lt. Governor Josh Tenorio, our Board, our federal and local partners, and industry partners," said Port General Manager Rory J. Respicio.

"We have extended normal gate house operations for this Saturday June 10 and Sunday June 11, 2023 from 8 a.m. - 5 p.m. in an effort to expedite the flow of commodities into our island community," Respicio said. "We went from 555 containers in the yard yesterday to 324 containers, with cargo still being issued throughout the day."
