***BID OFFER MUST COMPLY WITH BUY AMERICA**

Reference:

Make/Model Equal or Greater:

Kalmar Ottawa T2 4x2 DOT/EPA Certified

GENERALS:

These specifications have been written to describe minimum equipment and performance requirements to be supplied by the equipment manufacture bidding. Reasonable test may be conducted upon delivery before acceptance.

The successful bidder shall furnish all necessary and desirable information and instructions for the proper operation of the equipment.

The government reserves the right to accept and/or reject any and all bids, to waive any defects, Irregularities, or specification discrepancies and to award the bid as council deems to be in the best interest of the government.

DELIVERY:

The successful bidder shall deliver **TWO (2)** each new/unused terminal yard tractors (latest model) fully assemble and ready for operation to the Port Authority of Guam within 180 days. **Equipment shall meet all applicable DOT/US EPA and OSHA Requirements for Guam.**

Brand Names: Manufacturers' brands and stock/part numbers specified do not denote a preference for that make, but specify the level of quality and/or performance necessary. Alternate brands found to be equal to or greater in quality and/or performance to brand specified may be accepted, however, the burden to prove equality shall rest with the bidder.

The subject specifications were drafted to allow for reasonable bid competition, however, needed to be tailored to meet the needs of the **Port Authority of Guam**. Through market research the Port Authority of Guam has discovered that the minimum required specifications can be met from local dealerships. The specifications were based on the following make and model, therefore, bid proposals shall meet or exceed reference equipment: **Kalmar Ottawa T2 4x2 DOT/EPA Certified.**

**Any response of no below shall be grounds for rejection of bid.*
