Port Clinic

The Port Clinic has been open and available to you 24/7; however, please be advised that **effective Monday, August 17, 2020**, the Port Clinic's operational hours will be from 5:00 a.m. to 10:00 p.m. daily, located at the Operations Conference Room, below the Commercial division.

To date, the Port Clinic visits totaled 21,357, with zero fevers or any COVID-19 symptoms recorded.

The Port Clinic has been in operation since March 23, 2020. The healthcare professionals assigned at the Port are here for you to screen and monitor your temperature, and anyone concerned about being exposed to COVID-19.

For your continued care, **it is highly encouraged** that you get yourselves checked on a daily basis. At best, the preferable time for screening would be the moment you report to work.

Thank You Everyone!
