NEWS RELEASE

Port Employee Tests Positive for COVID-19

Piti, Guam, September 21, 2021: Port Authority of Guam General Manager Rory J. Respicio was notified that an employee has tested positive for COVID-19.

This employee is partially vaccinated and was tested as a result of exposure outside of the Port.

The Port's Contact Tracing Team has identified one additional employee who will need to be tested for COVID-19 as a result of the positive case.

Meanwhile, all previous cases of close contact from the cases identified last week have tested negative for the virus.

As of today, 325 (93%) Port employees are fully vaccinated, 14 (4%) have received the first dose of the vaccine, and 11 (3%) employees are still not vaccinated.
