Port mourns the loss of a beloved coworker

Piti, Guam, November 4, 2020: Port Authority of Guam General Manager Rory J. Respicio today issued the following statement with permission from Henry San Nicolas' spouse Katrina Charfauros:

"It is with great sadness and a heavy heart that I announce with the authorization from Henry San Nicolas' spouse Katrina Charfauros that Henry San Nicolas, a Port Authority of Guam employee, passed away today due to COVID-19 complications.

Henry San Nicolas was a Cargo Checker at the Port Authority of Guam for nearly seven years. Henry was a Frontline Hero and a COVID Warrior and was loved by everyone here at the Port. We will always remember him for his smile, kindness, and dedication to his family. We deeply mourn losing our Port Strong Family member and offer our love, prayers, and support to Katrina, their children, his brother Ray who also works at the Port and his family and friends.

Additionally, we have reached out to Guam Behavioral Health and Wellness Director Therese Arriola for counseling services for anyone who needs to talk to a clinical professional about the grief and anxiety brought on by our Port Strong Brother Henry's untimely passing."
